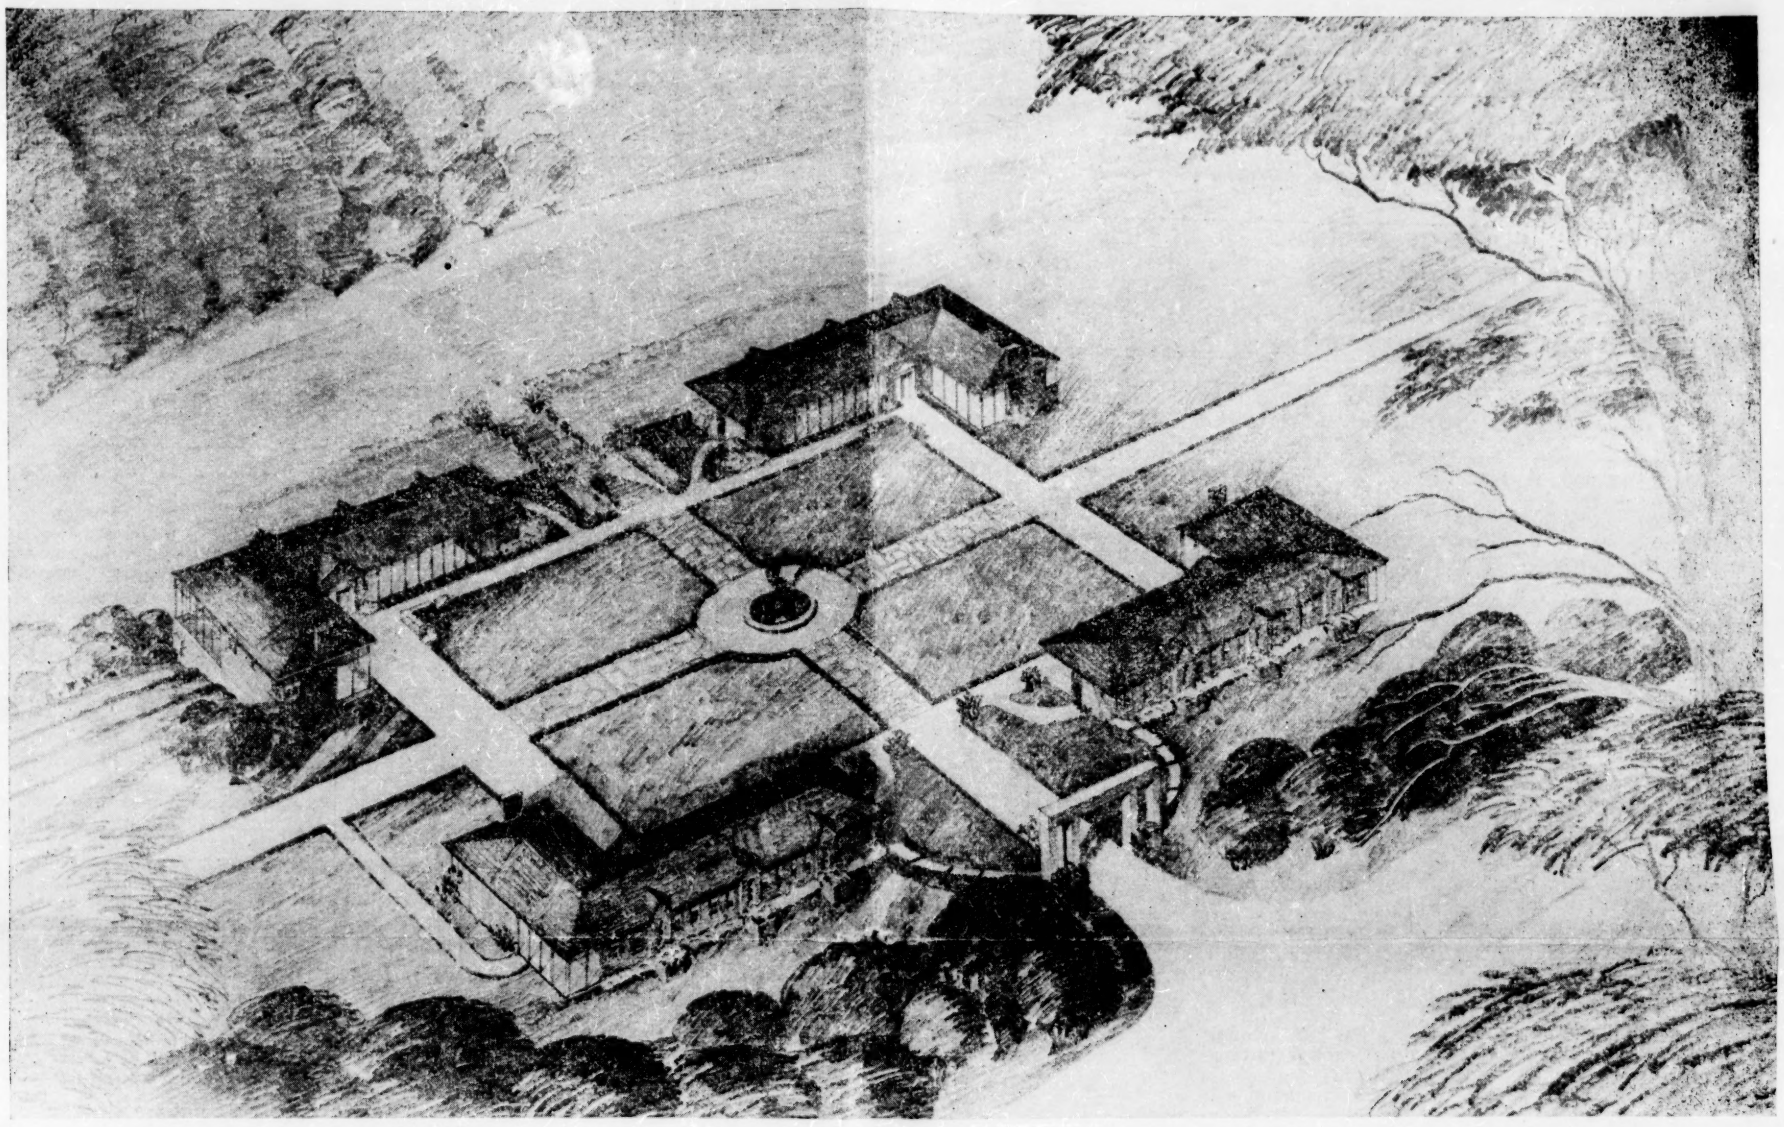
Proposed Quadrangle that Will Replace Alexander Building at Barium Springs



Above is an architect's drawing of how the four proposed cottages to replace Alexander Building will look when completed. The two structures on the left will be two-story affairs, with those on the right one-story buildings. These cottages will be smaller than any at Barium Springs nowadays and will lend themselves to a more homelike atmosphere for the occupants. When completed, Alexander Industrial Building can be eliminated as a dormitory and it will also give an increased capacity for approximately 35 children. It is estimated that the entire quadrangle will cost $40,000 to complete. It is hoped that the North Carolina Synodical at its Rutherfordton meeting this month will authorize the raising of $10,000. Another $10,000 seems virtually assured and officials at Barium Springs are hoping that other individuals will be found who would like to erect memorial buildings here to complete the quadrangle. Barium Springs celebrates it semi-centennial in 1941 and every effort will be made to have these completed for that important half-century event in Barium's history.

Orphanage Work Secretary Says

Dear Friends of
Barium Springs Orphanage,

Again I am addressing every woman in North Carolina Synodical Auxiliary. You are all friends of our Orphanage. You are constantly proving that by your interest, by your willingness to help and to give - and so I write "to stir up your pure minds by way of remembrance"—because it is October - almost Thanksgiving time!

There are some very important things that I want to talk to you about today. During the pre-Thanksgiving season there is much to be done, and one very important thing is that every single Auxiliary, yes, every one in the nine Presbyterials, shall have a program on Barium Springs. It will require some adjustment of schedule, or topic perhaps, but remember North Carolina is the only Synodical that studies about Barium Springs, so please fit in the necessary place, and have our Orphanage program before Thanksgiving. Already copies of "Meal Time at Barium," a playlet prepared to be used in all Auxiliaries, has been sent to each local group, and envelopes too, for all the women to bring a Thanksgiving Offering. Let me suggest that you be not afraid that this means an extra offering. It only means that each one be reminded to do what she ought to have done through the years, bring to her church a Thanksgiving Offering for Barium Springs' Orphans. Please be very generous. I believe you will not fail.

The second thing is, every month increases the number of individuals, church or Presbyterial groups, who go to visit Barium Springs. Information so gained lends inspiration to a more vital service, and I know that far reaching results will be seen. Our campaign for more visitors to our Orphanage is bearing fruit. Have you visited Barium?

From Presbyterial Orphanage Work Secretaries all over the state comes word that they presented our cause to all District meetings and Days of Prayer. One Presbyterial is definitely praying for a new Alexander Cottage. You will hear from them later, because their prayers are being followed up by real work.

At Synodical, Oct. 17 - 19 in Rutherfordton I want to tell you some of the fine things that groups are doing. Come over on Thursday morning if you can, to hear Mr. Johnston's address during Orphanage hour.

In closing, let me urge a great Thanksgiving Offering, backed by your prayers. And please see that it is sent in to Barium Springs, promptly.

Wishing you all happiness and blessings, I am faithfully yours,

(Mrs. C. E.) Margaret Raynal,
Synodical Secretary of Orphanage Work,
Statesville, N. C.

Extra! Extra!

There's a drinking fountain on the campus at Barium! How welcomed such a fountain would have been on a good many occasions when delegations visited the Home and when inadequate drinking facilities made it difficult for them to quench their thirst - this quenching generally occurring only after a walk of considerable distance to the dining room. But, the fountain is here now, and future visitors will appreciate it.

It has been placed between the office and Little Joe's Church, and it is going to serve a wonderful purpose - both for the visitors and for the folk at Barium Springs. It's on the direct path to the high school building, and from the way the Barium high schoolers have been flocking around that fountain since it was installed makes one wonder what they did without it. That feeling will continue to grow as the fountain is used.

ORPHANAGE COMMITTEE PLANS FOR THANKSGIVING

Eight of 10 Members Met at Barium on Sept. 14th.—Outlook Encouraging

By Rev. J. G. Garth, D. D., for The Charlotte Observer.

The Presbyterian Synod's Committee on the Orphans' Home situated here, with more than 300 children as the wards of the church, met here September 14 to plan for the Thanksgiving Offering and otherwise promote finances for this institution.

The committee consists of a chairman, J. Archie Cannon, of Concord, and one from each of the nine Presbyteries of the Synod. The other members of the committee are R. B. Peters, of Tarboro, Albemarle Presbytery; Gettys Guille, of Salisbury, Concord Presbytery; L. L. McGoogan, of St. Pauls, Fayetteville; T. C. Worth. of Durham, Granville; J. L. Kendrick, of Gastonia, Kings Mountain; Rev. H. K. Holland, of Charlotte, Mecklenburg; W. H. Holderness, of Greensboro, Orange; J. H. Clark, of Elizabethtown, Wilmington; T. L. The committee found it would be necessary to collect a larger sum for the support of the chil-

Thanksgiving Sums Have Been Received

Reading in The Messenger that pre-season Thanksgiving Offerings are extremely valuable and useful to the Presbyterian Orphans' Home, several friends have been thoughtful and good enough to send their Thanksgiving donations early. In the first days of October two $100.00 checks were received, another one for $25.00 came, and two friends made $9.00 and $3.00 Thanksgiving donations in September.

All told, $338.00 of 1939 Thanksgiving Offering had been received at Barium Springs by October 11th and every bit of that has aided the Home greatly. Of the total, $329.00 has been credited to various churches, as requested by the donors, and this will be done with any Thanksgiving contribution sent direct to Barium Springs.

News From Some Of The Cottages

BABY COTTAGE

Hello Everybody,

Since we wrote to you last we have had seven new children to come to live with us. Their names are: Peggy Ann Collins, Mac and Caroline Wicker, Loretta Young, Jane and Fred Feimster, and May Hillard.

Our football games have started and we have enjoyed watching our boys play. Our four big girls (Lillie Bryant, Janie Smith, May Lynn Jones, and Louise Martin) went to see the game at Charlotte. We lost but our boys sure did play a swell game.

Our matron, Mama O'Kelley, is spending this week-end with her people in Statesville. We will be glad to have Mrs. Ralph Spencer to stay with us while she is away.

We were sorry to hear of the death of Dr. Buie, an uncle of one of our little girls, Sylvia Sue Buie. He has been our state dentist for several years.

We are all excited over the new Alexander Cottage that they are hoping to build. We are going to get us a mite box and save our pennies to help build it.

We sure are having nice apples these days. Thank you, Mr. Thomas for them.

You'll hear more from us next month.

—"The Babies"

RUMPLE HALL

Hello Folks,

Football season is here at last. We have had two games - with Charlotte and Morganton.

We went to the fair Thursday and had a very good time.

We are very glad to have three new girls with us. They are: Gilda and Gloria Whitefield and Blanche Feimster.

Lula Bell Hall, Grace Adams and Betty Williamson got the show tickets for making good marks in school.

Betty Dorton had a visit from her father recently.

News gave out. You will hear from us next month.

—Leona Hall
—Ann McDonald.

HOWARD COTTAGE

Hello Friends,

Dewey Belle Buie, Sadie Gray Buie and Mattie Pearl Denson had visits from their mothers and Toni DeLancey had a visit from her aunt since we wrote you last.

The dentist has been fixing our teeth.

We have been getting quite a few new children up here.

It has been cold for the past two days.

We went to the county fair last week and had a grand time.

Some of our girls have been having sores on their feet.

We went to Davidson Saturday to see Duke and Davidson play football. We all had a good time watching them.

Well, friends, I guess we will have to say goodbye until next time.

—Dewey Belle Buie
—Mary Ann Ryder
—Toni DeLancey.

ANNIE LOUISE

Dear Readers,

Since we wrote you last we have a new matron, Mrs. Robinson, to come and live with us.

We had a very nice time at the fair last week. We had so many things to ride on and so many things to see and want to thank every one who made it possible for us to go.

We have the cutest little kitten that has come to live with us and be our pet. His name is Blackie.

We have five girls at Annie Louise who have birthdays this month. Their names are Doris Gant, Violet Knight, Grace Morgan, Virginia Presnell and Myrtle Rushing.

We all will be so glad when they build the new Alexander Cottage.

—Annie Louise Girls.

ALEXANDER

Hello Folks, Dairy Boys on the air from 4:30 a. m. until 9:00 p. m.

Miss Reid, our matron for several years, has gone to live with the Rumple Hall girls. Mrs. Dot Marshall from Richfield, N. C. has come to live with us. Mrs. Marshall has been helping in the kitchen for several years.

Mrs. Jones Yorke, of Concord, gave us calcimine to fix the inside of our cottage. We boys, with the help of our Dairy boss, Mr. Ralph Spencer, painted it. We enjoyed putting it on and you should see the results. Thank you, Mrs. Yorke.

The Men's Bible Class of Greensboro and about 15 other organizations gave us new beds for our cottage. We thank them for the nice beds.

We have 30 boys at our cottage. There are two sets of twins. These are: Clifford and Clifton Barefoot, Herman and Scott Blue, and four sets of brothers, as follows: Joe and Edgar Long, Ernest and Herbie Stricklin, Cecil and James Shepherd, Leland and Max Rogers.

We also have three Smiths, two being cousins. Vance and Roscoe Smith are cousins, Leslie Smith is our largest boy.

We feel proud of our football teams. Our 85- and 100-pound teams played Children's Home on September 30, and won both games. William (Andy) Tyce was our star player from Alexander.

We have been hearing some fine things about some new cottages that might be built, so we won't have to live in Alexander.

You will be hearing from us again next month.

—Joe Long
—Ernest Stricklin.

WOMAN'S BUILDING

Greetings and salutations to all. This is station B. H. S. coming to you from Barium Springs over the P. O. H. network, bringing you a synopsis of our "big" home.

In September we attended the fair in Statesville, and everyone reported a good time. We want to thank those who made it possible for us to attend it.

We have ended our first month of school, and I believe everyone made a good grade.

We have already been to Davidson. We saw Duke and Davidson play, and we wish to thank those people for inviting us.

Barium has played three games already. We have won two and lost one. Our next game is with Children's Home. The senior girls have the honor of escorting them.

Our pastor has been going to our neighboring city of Mooresville for the past week to hold meetings and has brought a good report to us.

Our pears and apples are still going strong and we sure are enjoying them.

We girls are looking forward to basketball season, although it is a little early for that.

And now for a little injection of humor. All girls please take special notice. A Frenchman got off a boat at New York and approaching a man standing nearby asked him, "Sir, I am a great painter of women's faces (for he was an artist) and I would like your advice on a site for my studio." The American looked at him for a moment in surprise and then replied, "Our women paint their own faces."

Well, as every other radio program our time comes to seconds and we have to get off the air. So until next month may you have the best of luck and may you prosper.

Mrs. Maude Whitlow Green

Friends of the former Maude Whitlow, who was married in 1938 to W. I. Green, of Charlotte, will deeply regret to learn of her death in a Charlotte hospital in September. Death resulted from pneumonia. She was a resident of Barium Springs from 1924 until she was graduated in the spring of 1930. She also graduated from the Sanatorium Nursing School in Charlotte in 1933, and since graduating from the latter she had been a member of the operating staff at the Sanatorium.

Among the survivors are three former members of the Orphanage family, Francis W. Whitlow, of Elkin; Miss Nellie Whitlow, of Mount Mourne, and Mrs. Edward Kipka, of Mooresville. Mrs. Kipka was Fannie Whitlow before her marriage.

After the marriage, Mr. and Mrs. Clendenin will live in Troutman, nearby to Barium Springs.

She writes that she expects to bring her husband to see Barium Springs sometime next year.

Moore-Williams

Another 1936 graduate was married in May. This was Miss Margaret Moore, of Raleigh, to Roy Williams, also of Raleigh. This impending event was hinted at Barium Springs last Home-Coming, when Margaret was here, and it became a reality in May. Mail will reach her at 706 W. Jones St., Raleigh.

Bostian-Galyon

On October 4th, Miss Pearl Bostian, who has been living in Los Angeles, Calif., was married to Frank A. Galyon, also of Los Angeles. Pearl was at Barium a little over a year ago, having returned east after being in California for a couple of years. She visited a good many of the old boys and girls and we asked her to give an account of her travels, but this never reached us. The first information was the revelation of the marriage. She is living at 1515 S. Figuerva St., Los Angeles, Calif.

Lee-Thomas.

Mr. and Mrs. William Smith Thomas, of Statesville, announce the marriage of their daughter, Dorothy Nell, to John Newton Lee, of Marion, the marriage taking place on Saturday, October 7th. Mr. Ernest Milton,
Barium Springs, N. C.

Dear Ernest:

I have been planning to write this letter to you for some time but have never done so. It is an idea that occurred to me this spring that may be helpful to others in the same position that I am in and benefit your children.

My mother died about a year and a half ago. She always loved carnations and on Mother's Days I sent them to her. This year when Mother's Day came I missed greatly being able to do something for her. Several days later as I was musing about it in my study the idea came to me that the best thing that I could do was take the money that I might have used for carnations and send it to you. I didn't do it but in thinking over it since then I am convinced that I shall next year. What more beautiful thing could I do for one that showered me with so much love than let her have a part in caring for those who may not have such a Mother as mine? One day I mentioned the idea to a good friend of mine and he told me to write to you and tell you about it, that you might be able to use it.

I feel sure that you will be glad to accept any such gifts and there may be others who would like to avail themselves of the privilege. If you should feel that there was something here to be used, I hope you will do so but please do not use my name.

Your truly,

———.

Treasurer,
Barium Springs Orphanage,
Barium Springs, N. C.

Dear Sir:

As a token of thanksgiving and joy over the remarkable, if not miraculous, recovery from a very serious illness by Mr. Julian S. Johnson, one of its members, the Board of Deacons of the Raeford Church, at its last meeting, decided to make an offering to Barium Springs Orphanage. The offering, joyfully made, amounted to $10.00, and a check for this amount is enclosed.

Please notify Mr. Johnson of this expression of feeling on the part of his fellow deacons over his recovery.

Yours very truly,
M. C. DEW,
Committee,
Board of Deacons,
Raeford Presbyterian Church.

What a wonderful way to express a genuine and heartfelt thankfulness over the recovery of a valuable and beloved member of that Board of Deacons. During his serious illness friends and loved ones were in constant and faithful prayer for his recovery and most commendable is the fact that the members of the Board of Deacons wanted to give some material evidence of thankfulness. This recent action recalls to mind other thankful sums that have been given to this Home in gratefulness for the recovery of a dear member of the family. Several of these have been received here

Granville	241.74	3.8c	11.6c
SYNOD	*$3,121.29	3.5c	18.3c

*Contains $3.00 of 1939 Thanksgiving Offering.

Believe it or not, the Synod of North Carolina has given Barium Springs $861.74 more in the first half of 1939-1940 than was forwarded to the Home in the initial six months of 1938-1939. On August 31st, Synod was $653.22 ahead, which means a September gain of $208.52 over the September, 1938, reports. That increase is divided between the regular and Thanksgiving income - $767.74 in the regular reports and $94.00 for Thanksgiving. A year ago only $10.00 of 1938 Thanksgiving Offering had been received at Barium, but $104.00 of Thanksgiving Offering had reached the Home by September 30, 1939 as Thanksgiving donations or the approaching season.

The Thanksgiving Offering report will be even better on October 31st, for in the early days of October other Thanksgiving sums had been received here - sums that ordinarily would not have reached Barium Springs until December, but which were sent early to help the Home in its finances at this juncture. Those sending these Thanksgiving amounts in October noticed that pre-season Thanksgiving sums were extremely useful and valuable to officials. 'Twould be wonderful if a good many others would adopt this plan and forward their Thanksgiving Offerings in October. They can be credited to any church designated.

In the standing of Presbyteries only one change occurred in September. Albemarle Presbytery went back to second place, displacing Kings Mountain Presbytery, which is now in third position. With that single exception, the lineup is the same as at the close of September.

Albemarle and Orange Presbyteries are the only two that were not ahead in their per capita giving as compared with September 30, 1938. Albemarle was 4.4 cents behind and Orange, 1.5 cents. Gains were registered as follows: Winston-Salem Presbytery, 7.6 cents; Kings Mountain, 2.9; Fayetteville, 1.6; Concord, 1.4; Granville, 1.3; Mecklenburg, eighth-tenths of a cent, and Wilmington, four-tenths of a cent. Synod's gain was a half-cent in the first half of the year.

Orphanage Committee

dren this year, because of the rising costs of food due to war conditions, and because the turnover of children has been greater since more have graduated and more have been taken into private homes. Last year the Thanksgiving offering was $43,524, $400 shy of the previous year.

The committee will promote the organization of local committees to do personal work in the church in raising funds. It will distribute 50,000 leaflets setting forth work of caring for the children which requires a budget of $119,000, of which the church raises $90,000.

The Board of Regents will make a report of the Orphanage next week at Synod at Greenville and Joseph B. Johnston, Superintendent, will speak of the work. Ernest Milton is treasurer. Mr. Milton, Mr. Cannon and Mr. Holland are a special committee on publicity.

The health in the Orphans' Home has been good, and the children have entered school located on the grounds, but partly supported by the state. A project is on foot to build four new units for dormitories as soon as funds can be raised. This will cost $40,000.

down throughout the years, the donors desiring to aid God's work at the same time that they wanted to show a material expression of thankfulness to Him.

In the early part of September, the Home here began receiving contributions from an unknown source, these always being listed as coming from a friend. The name of the donor of these successive amounts was discovered and we promptly wrote a letter to voice appreciation and to assure the giver that the name would be kept secret. Since "the cat is out of the bag", as he later wrote, a very interesting exchange of letters have followed, as well as other gifts. In one of the letters was the following:

> If I related to you the things that have happened to me since my first dollar donation to you, you wouldn't believe it, so I won't tell.

Later on in another communication he did mention several things that happened, because we had asked him to do so, and in all of the letters there was a feeling of great joy that this assistance was being rendered Barium. One individual has experienced manifold blessings through helping this Home and in assisting God's work in other ways, and we hope that others will experience kindred happiness and innate joy through helping in the support of the Orphanage family of 313 children.

Semi-Annual Session

(Continued From Page One)

and Treasurer, Joseph B. Johnston and Ernest Milton, respectively, reviewed the work since last May, discussed future plans, and elected officers for the coming year.

Rev. J. R. McGregor, Th. D., pastor of the First Presbyterian Church of Burlington, was re-elected president of the board; Mrs. S. P. Stowe, of Belmont, was named vice president, and Mrs. Ella Harper, of Wilmington, was selected again as secretary.

Miss Ada McGeachy, of Fayetteville, was elected a member of the board to fill the vacancy caused by the resignation of Mrs. P. P. McCain, of Sanatorium, who was named at Synod's recent meeting at Greenville as a Regent and who said that other duties would make it impossible for her to serve.

In addition to Miss McGeachy, other new members of the Board are Mrs. A. Jones Yorke, of Concord, representing Concord Presbyterial and John A. Scott, of Statesville, representative from Concord Presbytery. It was not possible for Mrs. Yorke and Mr. Scott to attend the September meeting.

Those present for the September deliberations were Dr. McGregor, president of the Board; Mrs. Harper, secretary; Mrs. Stowe, Mrs. Z. V. Turlington, Mooresville; S. Parks Alexander, Durham; Mrs. Plato Monk, Wilson; Mrs. James A. Hartness, Raleigh; Rev. R. C. Clontz, Whiteville; Miss Lucile Johnston. High Point, and Mrs. J. M. Walker, Charlotte. J. S. McKnight attended a meeting of the finance committee on Monday night, but was unable to be present at the regular meeting of the Board on Tuesday.

Architects' plans for four proposed cottages to replace Alexander building were on display, and plans for the erection of this quadrangle of buildings were informally discussed. It was pointed out that the first of the four proposed buildings seems assured.

Mr. Johnston's report revealed that the population was now 313, with 42 children having been accepted during the summer. This was a much larger than usual turnover in population. Except for the very serious illness of one boy at the present time, Mr. Johnston said that the health had been good. The turnover in staff included the replacement of three matrons and one person in the high school. The completion of the fourth summer of major repairs led to Mr. Johnston's statement that "the Orphanage plant is in better shape than in any time within the last six years."

The financial statement showed the home in a $600 better financial condition than a year ago, with receipts following the usual pattern of meagreness during the first five months of the fiscal year. The North Carolina Synod is expected to contribute $90,000 to Barium Springs in a year, but less than $13,000 had been received by August 31st.

Thanksgiving offering plans came in for consideration, a detailed report being given to the governing body on the recent meeting of Synod's Orphanage Committee, who assembled at Barium Springs to make preliminary arrangements for the Thanksgiving season when one-half of Synod's total is contributed to the Orphanage.

Explanation Given of Thanksgiving Figures

To the right are some tabulations on the Thanksgiving Offerings of four of the nine Presbyteries in the Synod of North Carolina, space in this issue of The Messenger preventing an inclusion of all the Presbyteries. Those omitted in the October issue will be published in the November Messenger, so that other churches can see their final Thanksgiving totals for last year, what was given in the Thanksgiving season of 1937, as well as the best Thanksgiving aggregate in the past 14 years.

A good many of the churches in the Synod have definite goals to reach each year, using these tabulations as a guide to whatever goal might be kept before the people. Some are determined to show successive Thanksgiving increases, and have been doing so for a number of years and are thus classified with those 72 churches which last year gave the best Thanksgiving Offerings to Barium in 14 years.

It is rather interesting to note the years in which the best responses were made by the churches and the following gives that information:

Year of Best	No. of Churches
1925	87
1926	40
1927	69
1928	22
1929	25
1930	24
1931	9
1932	6
1933	9
1934	29
1935	41
1936	58
1937	34
1938	72
1939	???

Churches in the North Carolina Synod have a record above of which they can be proud, for 234 of North Carolina's churches have given the best Thanksgiving Offerings in the past five years. The low-water mark of the Thanksgiving donation is also clearly evident above, for only 24 churches have their highest peaks in the years of 1931, 1932 and 1933.

Below are the final Thanksgiving Offerings of 1938 according to the Presbyteries:

Presbytery	Final '38
Albemarle	$2,429.12
Concord	8,933.53
